

"Croatian 50/70 MHz contest" – RULES

Organizer: Croatian amateur radio association (HRS).

Participants

Participation in the contest have all licensed amateur radio stations in the IARU Region I.

Category

Categories in both bands (50 and 70 MHz) are:

A - Single operator

B - Multi operators (teams and club stations)

DATE and TIME

The contest is held every year, first weekend in July in the period from 1400 (Saturday)- 1400 UTC (Sunday) **(7 - 8. 7.2012.)**

QSO's

QSO with the same station is allowed only once during the contest on the same band.

Cross band contacts are not allowed.

MODES AND FREQUENCY

Permitted types of mode are A1A and J3E, strict adherence to the IARU band's plans for 50 and 70 MHz.

DX window 50.100 to 50.130 MHz may be used only for intercontinental QSO's.

Data exchange

RST (RS) by scale, number of QSO that must begin with 001 on every band, and WW locator.

SCORING

Points are calculated on the principle of 1 point = 1 kilometer..

COMPETITION Applications should include a mandatory summary list and competitive relationship in the log REG1TEST format (EDI file).

DISQUALIFICATION

Any violation of these regulations or failure to comply with the IARU R1 band plan entail disqualification of competitors.

SUSPENSION POINTS:

Any incorrectly received data will be punished by loss of points.

Wrong Callsign received or number of connections will be penalized by reducing points for each station.

AWARDS

The first three stations in each category will be awarded with a **plaque** indicating placement. The award will be awarded the top 10 stations in each category.

DEADLINE FOR SUBMISSION Logs

8 days or the second Monday after the weekend where the competition took place (16.7.2012.)
